To: All Electricity Companies under the National Energy Board's Jurisdiction and
all Interested Parties

Dear Stakeholders:

Electricity Cost Recovery Project - Information Session 19 January 2006

We are inviting you to attend our information session at which we will be presenting the electricity cost recovery concept approved by the Board. The purpose of the session will be to explain the concept and the new process. The material will be distributed at the information session and will also be available on our website 19 January 2006. A comment period of 30 days after the information session will be given to allow parties to submit written comments on the concept.

The event will take place at the Hilton Hotel Airport Toronto on 19 January 2006, and it will start promptly at 1:30 p.m. and adjourn at 3:30 p.m. The doors will open at 1:00 p.m. and refreshments will be provided.

To facilitate the organization of the event, we request that registrations be received by noon (MST) on Wednesday, 11 January 2006. You will find attached the registration form if you wish to fax it and the proposed agenda. The Cost Recovery Review registration form for the information session is also available on our Web site at www.neb-one.gc.ca/EngagingCanadians/index_e.htm under *Electricity Cost Recovery Review*.

This is an important milestone in the process of amending the *National Energy Board Cost Recovery Regulations*, and we hope you will be able to join us.

If you have any questions or comments about the information session, please contact:
